

STATEMENT OF REPORTABLE INCOME FOR GRANITESHARES FINANCIAL PLC FOR THE PERIOD

1 JANUARY 2021 TO 31 DECEMBER 2021

The classes of securities of GraniteShares Financial Plc (the "Issuer") listed below (the "Securities") are registered with HM Revenue & Customs in the UK as "reporting funds" under the UK Fund Reporting Fund Regime (the "Reporting Fund Regime"). As such, the Issuer is required to make reports of income to investors.

As described in the Prospectus of the Issuer for the issue of the Securities, the Issuer intends to invest only in swap transactions with swap counterparties. Such swap transactions do not generate any income required to be disclosed or reported under the Reporting Fund Regime, nor do we anticipate that investors will receive income from investment in the Securities. It is not envisaged that this investment policy will change, and as such reporting for "Amount actually distributed" and "Excess of reported income over amounts actually distributed per security" will show "nil" for each fiscal year of the Issuer.

There may be a requirement for you to pay tax as though you had actually received a dividend from the Issuer.
